INTRODUCTION

Our founder, John Spedan Lewis, believed that the Partnership should support positive change in society. True to this vision, the John Lewis Partnership's relationships with its suppliers are based on honesty, fairness, courtesy and promptness. Nothing could be more important to us than addressing the human rights of those who help make and sell our products and services, as set out in our [Responsible Sourcing Code of Practice](#).

Throughout the pandemic we have supported suppliers and factories that remained open with access to our guidance and our expertise. For information on our work on Human Rights and Modern Slavery please see our [corporate website](#)

As a purpose-led co-owned business, working towards transparency of our supply chains is crucial for sourcing with integrity. As part of this we produce this biannual site list. The sites listed in the following pages are all active tier 1 production sites across our John Lewis and Waitrose suppliers for own brand products in Home, Fashion and Food. Where available, this data is correct as of December 2021.
