INTRODUCTION

Our Purpose - 'Working in Partnership for a happier world' demonstrates our commitment to creating a happier world for our suppliers and the communities in which we operate. True to this vision, our relations with our suppliers are based on honesty, fairness, courtesy and promptness. Nothing could be more important to us than addressing the human rights of those who help make and sell our products and services, as set out in our [Responsible Sourcing Code of Practice](#).

As part of our work to provide transparent data we produce this quarterly site list. The sites listed in the following pages were all active sites supplying the Partnership with final Waitrose or John Lewis own brand products as of January 2024. You can also find our current and past factory lists on the [Open Supply Hub](#). For information on our work on Human Rights and Modern Slavery please see our [corporate website](#).
