WAITROSE
& PARTNERS

INTRODUCTION

The John Lewis Partnership's relationships with its suppliers are based on honesty, fairness, courtesy and promptness. Our expectation is one of shared values, particularly when it comes to the wellbeing of workers in our supply chains, as set out in [our Responsible Sourcing Code of Practice](#).

In 2020 we set our 5 year Partnership Plan to become the go-to brands for customers who want quality, value and sustainability. As a purpose-led co-owned business, building on the progress made from our initial Human Rights strategy set in 2015, working towards transparency of our supply chains is crucial for sourcing with integrity. As part of this we produce this biannual site list.

The sites listed in the following pages are all the active tier 1 production sites across our John Lewis and Waitrose suppliers for our own brand products in Home, Fashion and Food. Where available, the data published is correct as of March 2021.

For information on our work on Human Rights and Modern Slavery [please see our corporate website](#).
