SUMMER 2026

SPRING / SUMMER 2026

This Spring/Summer we are celebrating the art of living with warmth and individuality; as we transition into the new season both character and craft come to the forefront in our John Lewis collections.

From the quiet charm of hand-thrown ceramics to playful patterned accents, SS26 feels calm, eclectic and deeply personal - resulting in a home that feels both spirited and soothing, layered with natural textures, tactile materials and a subtle sense of craft.

Across our five Home Design Styles - Modern Luxe, Scandi, Rustic, Timeless and Heritage - spaces are layered with natural materials, artisan finishes and earthy, saturated hues. Neutrals are warming, textures are richer, and every detail feels considered yet effortless.

Indigo is our Colour of the Season. Grounded in nature and rich with heritage, this deep, tranquil hue recalls the artistry of ancient dyes and the calm expanse of sea and sky. Indigo bridges the gap between Modern and Classic looks - a timeless shade that brings depth, serenity and sophistication to every space. It layers well with earthy browns and warm neutrals for a balanced, natural palette, whilst contrasting with ochre and bronze green for a contemporary edge. It shines at the heart of our Timeless style, taking customers on a coastal journey, whilst anchoring Rustic with a contemporary edge.

TIMELESS

Inspired by the rugged beauty of windswept beaches and cliffs across the British Isles, this season is a coastal interpretation of our Timeless style. Soft whites, warm neutrals and natural weaves create a relaxed, effortless palette, whilst dark navy and indigo add depth and contrast. The collection highlights our Colour of the Season, 'Indigo' throughout and adds touches of warmth with sienna and nutmeg, bringing subtle richness and a modern, enduring appeal. Timeless is defined by calm, pared-back elegance and natural textures.
