

JOHN LEWIS

WINTER 2026

WINTER 2026

For Winter, fashion at John Lewis builds upon the Autumnal capsule wardrobe with hero layering pieces and standout occasionwear. Premium denim, outerwear and tailoring form the building blocks of the collections, punctuated with feminine blouses, and statement knitwear. Leather and faux fur are styled alongside lace and cashmere for an edit that is built around quality, wearability and style.

John Lewis is all about the silhouette. From a cinched waist herringbone coat to oversized yet effortless tailoring and a delicate, split hem dress, each piece has been designed to add interest and movement in an easy, contemporary way. Texture is also key; heavyweight wool herringbone and checks are paired with soft brushed cashmere and buttery smooth leather. This season's must have dress comes in a rich burgundy hue with delicate lace trim and flattering A-line shape.

Across AND/OR, denim is updated for the season in warm, washed hues that give a lived in and relaxed feel. Wide leg, flare and barrel leg styles are paired with chunky patterned knits, intricate lace blouses and oversized outerwear that offer a distinctly 70's aesthetic.

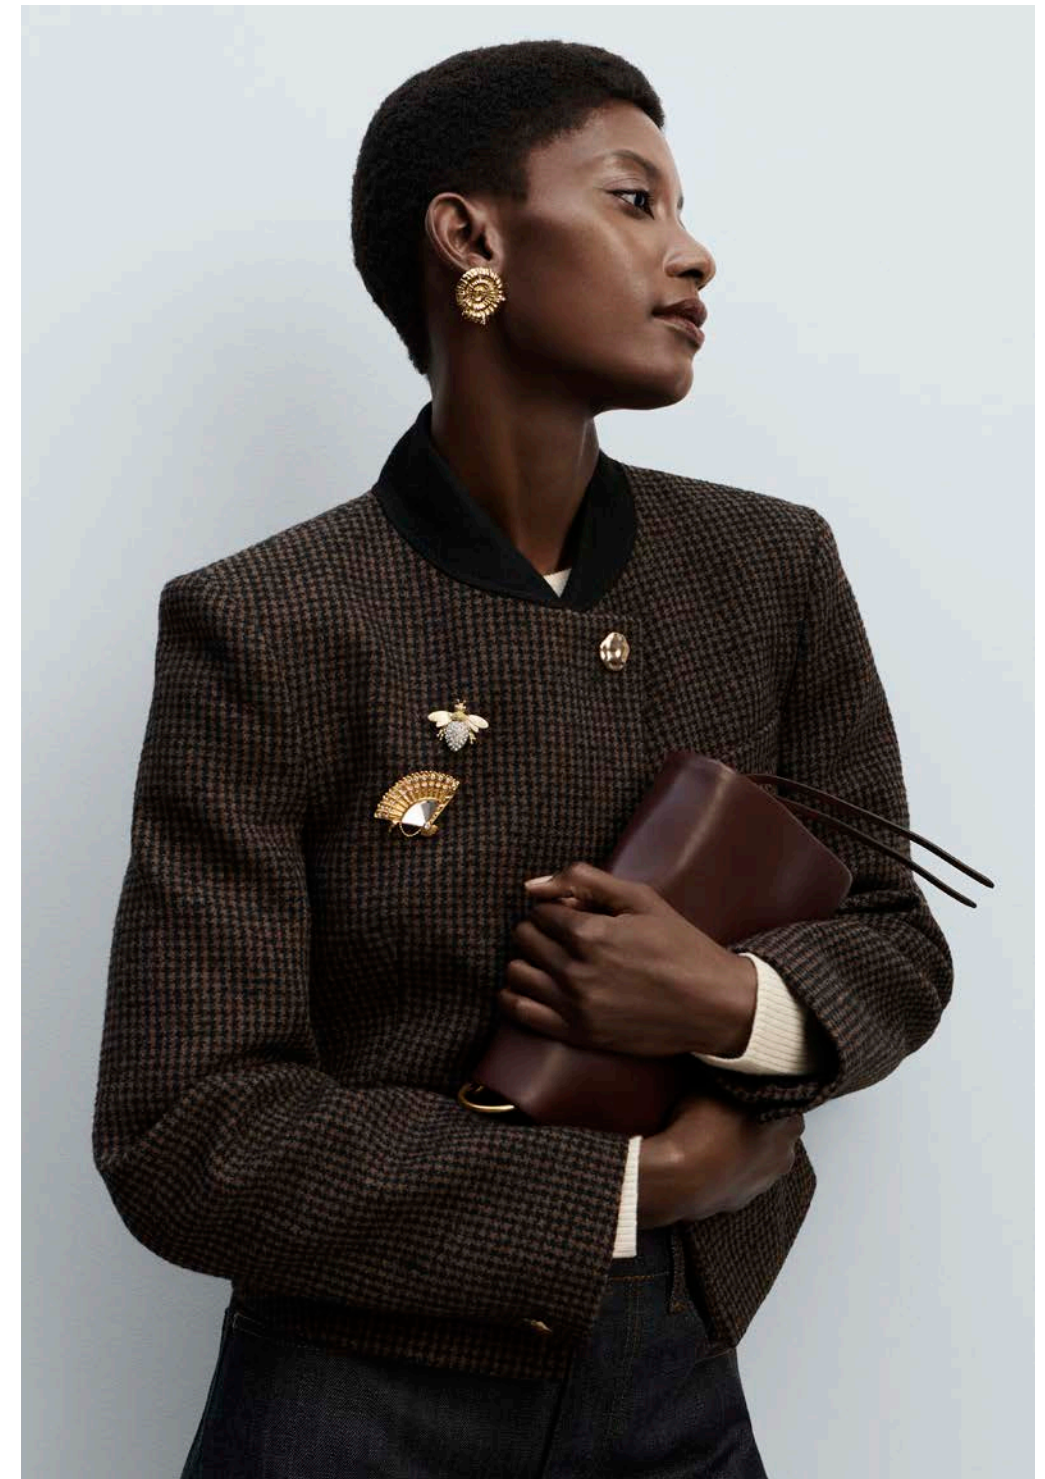

New brands 3.1 Phillip Lim, Anna October, Michael Kors and Stylein join our premium branded curation, sitting alongside Stand Studio, Weekend Max Mara and John Lewis exclusive Amanda Wakeley. Partywear for 2026 is refined yet statement-making. Look out for warm, chocolate brown hues as an alternative to the classic partywear black, seen across velvet tux's, slinky backless dresses and luxe faux fur coats.

No Winter look is complete without standout accessories. For daytime looks, bags are oversized for practicality, designed to be carried under the arm or worn over the shoulder. Available in classic Autumnal shades, look out for premium suede and leather that will last season after season. For evening outfits, the smaller the bag the better. Small touches like pre-loved brooches and printed silk scarves instantly update looks, while a classic belt is a must have for modern silhouettes.

Boots are updated for the season with statement block and curved heels, while leopard print ponyhair heels and green satin kitten heels offer a fresh take on party shoes. Across accessories we also welcome new brands Neous and Wandler.
