**Prohibited Additives in Waitrose products**

| | |
|---|---|
| E586 | 4-Hexylresorcinol |
| E355 | Adipic acid |
| E969 | Advantame |
| E400 | Alginic acid |
| E129 | Allura Red AC |
| E173 | Aluminium |
| E523 | Aluminium ammonium sulphate |
| E522 | Aluminium potassium sulphate |
| E521 | Aluminium sodium sulphate |
| E520 | Aluminium sulphate |
| E403 | Ammonium alginate |
| E527 | Ammonium hydroxide |
| E1207 | Anionic methacrylate copolymer |
| E938 | Argon |
| E122 | Azorubine; Carmoisine |
| E1205 | Basic methacrylate copolymer |
| E210 | Benzoic acid |
| E1519 | Benzyl alcohol |
| E459 | Beta-cyclodextrin |
| E284 | Boric acid |
| E151 | Brilliant Black BN; Black PN |
| E133 | Brilliant Blue FCF |
| E155 | Brown HT |
| E943a | Butane |
| E320 | Butylated hydroxyanisole (BHA) |

| | |
|---|---|
| E321 | Butylated hydroxytoluene (BHT) |
| E634 | Calcium 5'-ribonucleotides |
| E213 | Calcium benzoate |
| E623 | Calcium diglutamate |
| E538 | Calcium ferrocyanide |
| E578 | Calcium gluconate |
| E629 | Calcium guanylate |
| E633 | Calcium inosinate |
| E482 | Calcium stearoyl-2-lactylate |
| E902 | Candelilla wax |
| E161g | Canthaxanthin |
| E927b | Carbamide |
| E468 | Crosslinked sodium carboxy methyl cellulose |
| E952 | Cyclamic acid and its Na and Ca salts |
| E632 | Dipotassium inosinate |
| E635 | Disodium 5'-ribonucleotides |
| E627 | Disodium guanylate |
| E631 | Disodium inosinate |
| E469 | Enzymatically hydrolysed carboxy methyl cellulose |
| E960c | Enzymatically produced steviol glycosides |
| E968 | Erythritol |
| E462 | Ethyl cellulose |
| E243 | Ethyl lauroyl arginate |
| E465 | Ethyl methyl cellulose |
| E570 | Fatty acids |

| | |
|---|---|
| E585 | Ferrous lactate |
| E297 | Fumaric acid |
| E308 | Gamma-tocopherol |
| E574 | Gluconic acid |
| E620 | Glutamic acid |
| E1517 | Glyceryl diacetate (diacetin) |
| E640 | Glycine and its sodium salt |
| E142 | Green S |
| E626 | Guanylic acid |
| E939 | Helium |
| E239 | Hexamethylene tetramine |
| E949 | Hydrogen |
| E907 | Hydrogenated Poly-1-Decene |
| E943b | Iso-butane |
| E416 | Karaya gum |
| E425 | Konjac |
| E641 | L-leucine |
| E966 | Lactitol |
| E180 | Litholrubine BK |
| E132 | lndigotine; Indigo Carmine |
| E630 | lnosinic acid |
| E625 | Magnesium diglutamate |
| E353 | Metatartaric acid |
| E218 | Methyl p-hydroxybenzoate |
| E905 | Microcrystalline wax |

| | |
|---|---|
| E472f | Mixed acetic and tartaric acid esters of mono- |
| E624 | Monoammonium glutamate |
| E622 | Monopotassium glutamate |
| E621 | Monosodium glutamate |
| E1410 | Monostarch phosphate |
| E959 | Neohesperidine DC |
| E961 | Neotame |
| E1206 | Neutral methacrylate copolymer |
| E942 | Nitrous oxide |
| E423 | Octenyl succinic |
| E914 | Oxidised Polyethylene wax |
| E1404 | Oxidised starch |
| E948 | Oxygen |
| E1413 | Phosphated distarch phosphate |
| E1200 | Polydextrose |
| E964 | Polyglycitol syrup |
| E1203 | Polyvinyl alcohol |
| E1209 | Polyvinyl alcohol-polyethylene |
| E1208 | Polyvinylpyrrolidone-vinyl |
| E124 | Ponceau 4R; Cochineal Red A |
| E357 | Potassium adipate |
| E402 | Potassium alginate |
| E212 | Potassium benzoate |
| E944 | Propane |
| E405 | Propane-1,2-diol alginate |

| | |
|---|---|
| E280 | Propionic acid |
| E310 | Propyl gallate |
| E1204 | Pullulan |
| E999 | Quillaia extract |
| E962 | Salt of aspartame-acesulfame |
| E356 | Sodium adipate |
| E541 | Sodium aluminium phosphate |
| E554 | Sodium aluminium silicate |
| E215 | Sodium ethyl p-hydroxybenzoate |
| E576 | Sodium gluconate |
| E219 | Sodium methyl p-hydroxybenzoate |
| E493 | Sorbitan monolaurate |
| E495 | Sorbitan monopalmitate |
| E426 | Soybean hemicellulose |
| E512 | Stannous chloride |
| E1450 | Starch sodium octenyl succinate |
| E1452 | Starch aluminium Octenyl succinate |
| E483 | Stearyl tartrate |
| E499 | Stigmasterol-rich plant sterols |
| E363 | Succinic acid |
| E474 | Sucroglycerides |
| E444 | Sucrose acetate isobutyrate |
| E513 | Sulphuric acid |
| E110 | Sunset Yellow FCF; Orange Yellow S |
| E102 | Tartrazine |
| E319 | Tertiary-butyl hydroquinone (TBHQ) |

| | |
|---|---|
| E957 | Thaumatin |
| E479b | Thermally oxidised soya bean oil interacted with mono and diglycerides of fatty acids |
| E380 | Triammonium citrate |
| E967 | Xylitol |
| E650 | Zinc acetate |
| E553b | Talc |
| E127 | Erythrosine |
| E132 | Indigotine; Indigo carmine |
| E131 | Patent blue V |
| E104 | Quinoline yellow |
| E124 | Ponceau 4R; Cochineal red A |
| E338 | Phosphoric acid |
| E468 | Crosslinked sodium carboxy methyl cellulose |
| E470b | Magnesium salts of fatty acids |
| E421 | Mannitol |
| E214 | Ethyl p-hydroxybenzoate |
| E530 | Magnesium oxide |
| E285 | Sodium tetraborate; borax |
| E1201 | Polyvinylpyrrolidone |
| E951 | Aspartame |
